

Playwright Execution Report

SauceDemo checkout automation - execution 2026-09-15_16-11-47 - generated 15/9/2026, 4:14:00 pm

DOCUMENTED TEST CASES 20	AUTOMATED SCENARIOS 36	BROWSER EXECUTIONS 108	PASSED 108	FAILED 0	DURATION 8m 0s
---------------------------------------	-------------------------------------	-------------------------------------	----------------------	--------------------	------------------------------

Execution Start Time	2026-09-15T10:41:47.232Z	Execution End Time	2026-09-15T10:44:00.026Z
Total Execution Duration	2m 13s	Execution Identifier	2026-09-15_16-11-47

Execution Summary Chart

Pass rate: 100%

Browser-wise Results

Browser	Total	Passed	Failed	Skipped	Pass Rate
chromium	36	36	0	0	100%
firefox	36	36	0	0	100%
webkit	36	36	0	0	100%

Defect Summary

Defect	Test Case	Browser	Status	Failure Detail
No defects were detected in this execution.				

Coverage Summary

AC	Area	Test Cases	Executed	Status
AC1	Cart Review	TC-003, TC-004, TC-006, TC-012, TC-014	0/5	Not executed

AC	Area	Test Cases	Executed	Status
AC2	Checkout Information Entry	TC-001, TC-005, TC-006, TC-007, TC-008, TC-009, TC-016, TC-020	0/8	Not executed
AC3	Order Overview	TC-006, TC-011, TC-013, TC-017, TC-019	0/5	Not executed
AC4	Order Completion	TC-006, TC-015, TC-018	0/3	Not executed
AC5	Error Handling	TC-002, TC-007, TC-008, TC-009, TC-010	0/5	Not executed

Unmapped Automated Scenarios

Scenario	File	Browsers
TC-BR-01: Direct access to Checkout Information page while logged out is blocked	saucedemo-checkout\business-rules.spec.js	chromium, firefox, webkit
TC-BR-02: Direct access to Cart page while logged out is blocked	saucedemo-checkout\business-rules.spec.js	chromium, firefox, webkit
TC-BR-03 [DISCREPANCY]: Checkout with an empty cart is not blocked by the application	saucedemo-checkout\business-rules.spec.js	chromium, firefox, webkit
TC-BR-04: Cancel on Checkout Information page returns to the Cart page	saucedemo-checkout\business-rules.spec.js	chromium, firefox, webkit
TC-BR-05 [DISCREPANCY]: Cancel on the Overview page returns to Products, not Cart	saucedemo-checkout\business-rules.spec.js	chromium, firefox, webkit
TC-CART-01: Cart page displays complete details for every item	saucedemo-checkout\cart-review.spec.js	chromium, firefox, webkit
TC-CART-02 [DISCREPANCY]: Cart page does not display a total price	saucedemo-checkout\cart-review.spec.js	chromium, firefox, webkit
TC-CART-03: 'Continue Shopping' returns to products page without changing cart	saucedemo-checkout\cart-review.spec.js	chromium, firefox, webkit
TC-CART-04: Removing an item from the cart page updates the list and badge	saucedemo-checkout\cart-review.spec.js	chromium, firefox, webkit
TC-CHK-01: 'Checkout' button on cart page redirects to Checkout Information page	saucedemo-checkout\checkout-info-validation.spec.js	chromium, firefox, webkit
TC-CHK-02: Submitting with all fields empty shows First Name required error	saucedemo-checkout\checkout-info-validation.spec.js	chromium, firefox, webkit
TC-CHK-03: Submitting with only First Name filled shows Last Name required error	saucedemo-checkout\checkout-info-validation.spec.js	chromium, firefox, webkit
TC-CHK-04: Submitting with First and Last Name filled shows Postal Code required error	saucedemo-checkout\checkout-info-validation.spec.js	chromium, firefox, webkit
TC-CHK-05: Error alert can be dismissed	saucedemo-checkout\checkout-info-validation.spec.js	chromium, firefox, webkit
TC-CHK-06 [DISCREPANCY]: Special characters in Zip/Postal Code are accepted without validation error	saucedemo-checkout\checkout-info-validation.spec.js	chromium, firefox, webkit
TC-CHK-07 [DISCREPANCY]: Special characters and emoji in First/Last Name are accepted without validation error	saucedemo-checkout\checkout-info-validation.spec.js	chromium, firefox, webkit
TC-CHK-08 [BOUNDARY]: Excessively long field values are accepted with no visible length limit	saucedemo-checkout\checkout-info-validation.spec.js	chromium, firefox, webkit
TC-CHK-09: Valid data in all fields proceeds to the Overview page	saucedemo-checkout\checkout-info-validation.spec.js	chromium, firefox, webkit

Scenario	File	Browsers
TC-NAV-01: Browser back button from Overview clears entered form data	saucedemo-checkout\navigation.spec.js	chromium, firefox, webkit
TC-NAV-02: Page refresh mid-checkout clears form data but preserves cart	saucedemo-checkout\navigation.spec.js	chromium, firefox, webkit
TC-NAV-03: Direct URL navigation to Checkout Information page works when logged in with items in cart	saucedemo-checkout\navigation.spec.js	chromium, firefox, webkit
TC-NAV-04: Logout blocks subsequent access to checkout pages	saucedemo-checkout\navigation.spec.js	chromium, firefox, webkit
TC-COMP-01: Finish redirects to a confirmation page with a success message	saucedemo-checkout\order-completion.spec.js	chromium, firefox, webkit
TC-COMP-02: 'Back Home' returns to the Products page	saucedemo-checkout\order-completion.spec.js	chromium, firefox, webkit
TC-COMP-03: Cart is empty immediately after order completion	saucedemo-checkout\order-completion.spec.js	chromium, firefox, webkit
TC-COMP-04 [UNDOCUMENTED FEATURE]: 'Generate PDF order' button is present and does not error	saucedemo-checkout\order-completion.spec.js	chromium, firefox, webkit
TC-OVW-01: Overview page item summary matches cart contents	saucedemo-checkout\order-overview.spec.js	chromium, firefox, webkit
TC-OVW-02: Overview page shows static payment and shipping information	saucedemo-checkout\order-overview.spec.js	chromium, firefox, webkit
TC-OVW-03 [BOUNDARY]: Tax and total calculations are correct for 1 item vs. multiple items	saucedemo-checkout\order-overview.spec.js	chromium, firefox, webkit
TC-OVW-04: Overview page provides Cancel and Finish options	saucedemo-checkout\order-overview.spec.js	chromium, firefox, webkit
TC-SMOKE-01: Complete full checkout with a single item	saucedemo-checkout\smoke.spec.js	chromium, firefox, webkit
TC-SMOKE-02: Complete checkout with multiple items	saucedemo-checkout\smoke.spec.js	chromium, firefox, webkit
TC-SMOKE-03: Checkout flow is fully blocked without authentication	saucedemo-checkout\smoke.spec.js	chromium, firefox, webkit
TC-UI-01: Cart badge accurately reflects add/remove actions across pages	saucedemo-checkout\ui-validation.spec.js	chromium, firefox, webkit
TC-UI-02 [BOUNDARY]: Single item vs multiple items checkout totals scale correctly	saucedemo-checkout\ui-validation.spec.js	chromium, firefox, webkit
TC-UI-03 [EDGE CASE]: Rapid double-click on 'Finish' does not produce a broken or duplicate state	saucedemo-checkout\ui-validation.spec.js	chromium, firefox, webkit

Test Results

TC ID	Test	Browser	Status	Duration
Unmapped	TC-BR-01: Direct access to Checkout Information page while logged out is blocked	chromium	Passed	2s
Unmapped	TC-BR-02: Direct access to Cart page while logged out is blocked	chromium	Passed	2s
Unmapped	TC-BR-03 [DISCREPANCY]: Checkout with an empty cart is not blocked by the application	chromium	Passed	2s
Unmapped	TC-BR-04: Cancel on Checkout Information page returns to the Cart page	chromium	Passed	2s

TC ID	Test	Browser	Status	Duration
Unmapped	TC-BR-05 [DISCREPANCY]: Cancel on the Overview page returns to Products, not Cart	chromium	Passed	2s

Recommendations

- Close coverage gaps for acceptance criteria marked At risk or Not executed.

- Run the suite in CI on every checkout-related change and archive test-results as build artifacts.

Artifacts source: C:\PlaywrightDemo2.0\test-results
